

TRIBUTE TO REVEREND DR. SAMUEL HOWARD SMITH ON HIS 50TH ANNIVERSARY AS SENIOR PASTOR OF THE MOUNT HOREB MISSIONARY BAPTIST CHURCH

### HON. SHEILA JACKSON LEE

OF TEXAS

IN THE HOUSE OF REPRESENTATIVES

Wednesday, June 25, 2014

Ms. JACKSON LEE. Mr. Speaker, I rise to pay tribute to my constituent and longtime friend Reverend Dr. Samuel Howard Smith on his 50th anniversary as the Senior pastor of the Mount Horeb Missionary Baptist Church in Houston, Texas.

Dr. Smith is a father, grandfather, great grandfather, and a loving husband. He received Christ at the age of 22 and answered the call to the ministry at the youthful age of 27 in October of 1957. Due to a strong belief in God and an outstanding delivery of the Good News of Christ, Dr. Smith was led to Pastor the Morning Star Baptist Church of Houston, Texas in 1959. This uncompromising man later became the Pastor of Mount Horeb Missionary Baptist Church, also in Houston, Texas in 1964 where he has remained God's servant for 47 years.

Dr. Smith is a well known and respected teacher, preacher, and evangelist. His commitment to serving the community has taken the Gospel beyond the walls of the church and into the streets. He is known as "God's Street Man," where no one on the streets is a stranger nor is anyone off limits to him. He believes that where every man is, so is his soul, and that each man must choose where he wants to spend eternity.

Dr. Smith is a Korean War veteran and has held leadership positions on the Evangelical Board of the National Missionary Baptist Convention of America. He currently serves as a member of the Board of Directors for the Gregory Lincoln Educational Center's "I Have A Dream", is a national instructor for the National Missionary Baptist Convention of America, a member of Houston's Baptist Ministers' Alliance, Houston Baptist Pastors and Ministers Fellowship and Ministers Against Crime.

Dr. Smith is a prolific man of God with a passion for street ministry and winning souls. He is the author of "Taking IT to the Streets," a book on Christian Evangelism that emphasizes the importance of street evangelism in Christian Outreach ministry. Dr. Smith is an inspiration to all by setting remarkable standards for others to follow.

I take great pride in recognizing and honoring the Senior Pastor of the Mount Horeb Missionary Baptist Church, Reverend Dr. Samuel Howard Smith on the occasion of his 50th Pastoral Anniversary. Dr. Smith continues to shine to let God's glory shine through his solid leadership in the community. His tireless efforts to impact our world, and inspire others to do the same is deserving of the respect, admiration and commendation of the United States Congress.

### IN SUPPORT OF COMPREHENSIVE IMMIGRATION REFORM

### HON. GENE GREEN

OF TEXAS

IN THE HOUSE OF REPRESENTATIVES

Wednesday, June 25, 2014

Mr. GENE GREEN of Texas. Mr. Speaker, I rise in support of the thousands of mixed status families in Houston and Harris County, Texas who have needlessly been torn apart by our nation's broken immigration laws and call for this House to pass comprehensive immigration reform in 2014.

Nearly one year ago today, the United States Senate passed bipartisan immigration reform, S. 744, that would strengthen border protection and deter unauthorized crossings while providing a pathway to normalization and citizenship for those who have resided in our country for many years and met several requirements, including learn English, pay back taxes, and not commit any serious crimes.

This is not, as some opponents of reform have claimed, amnesty. This is earned normalization—earned through a long and documented commitment to becoming an American. The requirements and length of time necessary to obtain a green card in the Senate bill and its House companion, H.R. 15, are far more stringent than those set in the 1986 immigration reform that was signed into law by President Reagan.

Our district office in Houston handles hundreds of heart-wrenching immigration cases a year, including stories of high school valedictorians and military service veterans deported because they have no recourse and the system does not provide any discretion to consider their value to our society.

Comprehensive immigration reform, Mr. Speaker, is not only pro-family. It is also pro-jobs and pro-deficit reduction. The Congressional Budget Office found that enactment of CIR would reduce the deficit by nearly a trillion dollars and increase economic growth by 3.3 percent in 2023 and 5.4 percent in 2033. CIR would also add several years to the funds available in the Medicare and Social Security Trust Funds.

These findings verify what immigration reform experts have said for years—that reform would help grow the economy and create jobs for all Americans, native born and naturalized.

I urge my colleagues on both sides of the aisle to stand with American families, American businesses, and our nation's cherished

history as a land open to immigrants, and call for a floor vote on immigration reform this year.

### AMERICA'S PREMIER YOUTH BOATING SAFETY EDUCATION PROGRAM

### HON. DAVID P. JOYCE

OF OHIO

IN THE HOUSE OF REPRESENTATIVES

Wednesday, June 25, 2014

Mr. JOYCE. Mr. Speaker, Spirit of America is a not for profit public service organization established in 1995, in Mentor, Ohio. Spirit of America exists primarily to serve our nation's youth with America's Premier Youth Boating Safety Education Program.

Spirit of America combines the resources of traditional and non-traditional education activities to provide a place and a way for students to learn, react, and develop lifelong learning skills and ambitions. They empower our youth to develop responsibility, confidence, self esteem, teamwork, and safe boating practices.

Furthermore this organization proves that advancing community boating where Spirit of America programs are located spurs other economic and social benefits, while continuing to provide a resource for the marine industry.

### FUTURE BOATERS = FUTURE BUSINESS

The Spirit of America Foundation has placed and graduated tens of thousands of young people over the past 19 years. In recognition of their efforts and to promote awareness, Spirit of America has coined and created the "National Take Our Youth Boating Week"®. This special event will be held/celebrated annually the second week in July, beginning this July 4th–12th. There will be a great deal of promotion amongst their partners including the United States Coast Guard (USCG), manufacturers of the marine industry, and other educational non-profit organizations whose mission is similar to theirs. The Spirit of America Foundation would like to have the event recognized on the national level by July 2015 but appreciates our acknowledgment for 2014 in the mean time.

The plan is that all interested parties will participate in the mission of getting more youth on the water.

### NO CHILD (WILL BE) LEFT ON THE DOCK

Education and safety are of the utmost importance and Spirit of America is changing the way that the world views boating, in particular with young people. In 2013 the lowest number of fatalities were recorded since the USCG has been recording data. They plan to have this program available in all 50 states in the future. Please get involved by visiting the website for a location to participate, or contact them directly for information about opening a program in your area.
